

Free Fall Picture Poke or Tracing Pictures

Directions for printing:

1. For full size pages print the document.
2. For half size pages open the document in Adobe PDF reader. Click the printer icon - click print pages 2-5 select multiple pages (under page sizing and handling section) - select 2 pages per sheet.
3. To print the four pages on one page - open the document in Adobe PDF - click print pages 2-5 - select multiple pages - select 4 pages per sheet.

TIP: When you create the smaller pages, you automatically increase the difficulty of the tracing exercise since the lines will be smaller.

Directions for tracing: Print the four pages. Trace over the lines to complete the picture. Color it in.

Directions for picture pokes: Print. Color in the picture. Place the picture over a cork board. Using a tack or golf tee poke along the dotted lines. Turn it over and touch the bumpy outline.
