

# I CAN GO UP HIGH

Sing to the tune of "Row, Row, Row Your Boat."

Jump, jump, jump your feet,  
gently off the ground.  
Look at me, look at me,  
look at me, look at me.  
I can jump up high.

Hop, hop, hop your foot,  
gently off the ground.  
Look at me, look at me,  
look at me, look at me.  
I can hop up high.

Reach, reach, reach your arms,  
way up to the sky.  
Look at me, look at me,  
look at me, look at me.  
I can reach up high.
